Dear Sir/Madam

This concerns a letter I received dated April 1, 2005, Docket No. 2005-00004. The letter states that Nextel WIP Lease Corp and Hemphill Corporation have applied to the Kentucky Public Service Commission for a Certificate of Public convenience and necessity to construct and operate communication telecommunications service tower, on my property. I was unable to reach Mr. Hughes by phone today and I have a few questions. There are listed below.

1. How wide (or exactly how much space) would be involved?
2. When will the work for the tower be started?
3. Do you pay for the right, and if so approximately how much?
4. Do I have the right to prevent this? *-If for some reason I should be in opposition,*
5. *How long would this Tower be there?*

Respectfully
Franklin Sallee
